UNIVERSITY OF CALIFORNIA, SAN FRANCISCO

- Symposium on Heart and Lung
Date: February 19, 20, 21 (week-end), University of California Extension Building, 540 Powell Street. This short course will give an intensive review of the most recent advances in the diagnosis and treatment of diseases of the heart and lung; with demonstrations and discussions.
- Course for General Practitioners
Date: March 8 through 12, all day, Mount Zion Hospital, San Francisco. This program will be presented by the Visiting Staff of Mount Zion Hospital in collaboration with University of California Medical Extension. It will include many subjects of interest to the general physician, with demonstrations of patients and discussions of illustrative cases.
- Symposium on Emergencies: Medical, Surgical, Obstetrical
Date: April 16, 17, 18 (week-end), University of California Extension Building, 540 Powell Street, San Francisco.
- Course in Internal Medicine, American College of Physicians
Date: June 14 through 18, all day, University of California Extension Building, 540 Powell Street, San Francisco.

Conference on General Surgery

Date: September 13 through 17, all day, at Medical Center. This conference will be offered for the purpose of stressing the newer concepts, methods of diagnosis, treatment and techniques in surgery. Throughout the session emphasis will be placed on the diagnosis and treatment of malignant lesions. Instruction will consist of didactic periods, panel discussions, and actual operative demonstrations which will be televised from the operating room to the lecture hall. This program will be designed for general practitioners who are doing surgery. The class will be limited.

Conference on Fractures and Diseases of the Bone

Date: September 20 through 23, all day, San Francisco County Hospital. The program will cover the newer concepts, methods of diagnosis, treatment and techniques. There will be didactic lectures, panel discussions, and actual demonstrations of illustrative cases. The class will be limited.

Medicine for General Practitioners

Date: September 21 to December 7, Tuesday evenings, East Oakland Hospital, Oakland. This is a continuation course which is offered every year, with complete change of program and speakers. Class limited.

Evening Lectures in Medicine, Part 1 and Part 2

Date: September 16 through December 9, Thursday evenings, Mills Memorial Hospital, San Mateo. This is also a continuation course which will be of interest to both internists (Part 1) and to physicians in general practice (Part 2).

Symposium on Endocrine Diseases and Geriatrics

Date: October 22, 23, 24 (week-end), University of California Extension Building, 540 Powell Street, San Francisco. A review of recent developments in both fields, with suggestions for the management of patients past the age of fifty.

Microscopy (Part 1)

Date: January 14 through March 18, Thursday evenings, Medical Center.

Photomicrography (Part 2)

Date: April 1 through June 3, Thursday evenings, Medical Center. Part 2, Photomicrography, in monochrome and in color, cannot be taken without Part 1, but Part 1, Microscopy, which includes the critical use of the microscope, may be taken alone. These courses are open to any persons who are interested in the study of the topics listed above. Class limited.

Contact: Stacy R. Mettier, M.D., Head of Postgraduate Instruction, Medical Extension, University of California Medical Center, San Francisco 22, California.
